

### GROWTH

#### Investment Projects in Q4/2023

Completed 3 M&P deals to enlarge customer network for packaging solutions in the UK & Europe (Law Print, UK) and extend further in medical supplies & labware (Bicappa, Italy), and premium offset folding carton packaging in ASEAN (Starprint, Vietnam).

#### Revenue from Sales by End Destination in 2023

SCGP announced **129,398 MB revenue and 5,248 MB profit in 2023** from solid consumer packaging sales, proactive cost management, and extensive network of recovered paper sources.

### INNOVATION

Fest launched **Fest Redi Pak** and **Fest Fresh Pak** made from eucalyptus pulp which is a renewable material targeting to serve the frozen food and ready-to-eat chilled food industry. These green innovations keep the food fresh longer and enhance users' convenience.

**HOLIS by SCGP Active Collagen Jelly** won the Superior Taste Award 2024 with its quality selection of ingredients and unique process that provide a new experience of collagen in a chewable, easy to eat, and delicious gel form.

### ESG

VKPC in SCGP has been ranked as **1 of the top 100 sustainable companies in Vietnam** for three consecutive years through the ESG 4 Plus strategy: focusing on Net Zero - Go Green - Reduce Inequality - Enhance Collaboration Plus Trust through Transparency in all operations.

SCGP and community volunteers, including 3 world-class female professional golfers, Mo, May, and Meaw, participated in the **SCGP "Plant Beats Heat" project** to plant 999 trees, construct 9 check dams, and expand green spaces in Kanchanaburi Community Forest for Father's Day and World Soil Day.
